32-02 Junction Boulevard - East Elmhurst, New York 11369 Phone: (718) 335-7500 Fax: (718) 779-7186

William Fahey – Principal

Dear 8th Graders,

Two years ago students working with Mr. Blum and Mr. Grambo in science, took part in a conservation project called Kids ISO 1400. This project was meant to teach students and families how to conserve resources in their home and in their communities.

As a result of your efforts and success with this program we have launched a full scale school wide recycling program in our classrooms and the cafeteria, with the help of our custodial staff, cafeteria staff, student organization and our green team.

On Tuesday January 19, during period 2 we will be hosting distinguished guests at a program honoring our efforts with the Kids ISO 1400 program. This program will take place in our auditorium and all 8th graders will be invited.

We will be giving one of our guests, Dr. Kawabe, a book of letters written by you about your experiences and memories of this conservation program. Please write this letter on a sheet of loose leaf paper. Please feel free to include a photo of yourself from 6th grade, or drawings of what you did. Please bring your letter to your homeroom teacher by Tuesday January 12th. Also, feel free to look at our ISO 1400 web page to refresh your memory: www.armstrong22q.com/science/ISO1400

Please be sure to wear blue jeans for the auditorium program. You will be given a T-shirt during homeroom on January 19th to wear. There is a permission slip on the back of this letter to be photographed and videotaped. Please return it to you Homeroom Teacher by Tuesday, January 12.

Sincerely,

Joshua Blum

Gregory Grambo
